

“My Parent & Me” Class

5 Week session for Pre-Schoolers

Wednesday or Saturday mornings 9:30 AM to 10:30 AM
Ages 2-4 year olds

A chance for kids and parents to interact, explore, imagine and discover the world of science. All programs include arts & crafts and a pre-school educational program.

March 17th & 20th - Turtle Tales

Where do turtles live? What do they eat? Explore the life of turtles in your backyard, and then create a turtle to take home.

April 14th & 17th -

Dragonflies, Darners and Damselflies

Some of the most beautiful creatures are born in the Hudson River. Discover what young dragonflies look like, do the Caddisfly hop and get your hands wet.

March 24th & March 27th - At the Frog Pond

Hop on in for a day of frog fun! Learn how to make a frog call, play a game of leap frog and join in for other frog related activities.

April 21st & 24th - The Tiny Seed

How do plants grow? Learn all about seeds, plants, flowers and the animals that help them throughout their lives. We will plant some seeds for you to take home and plant in your garden.

March 31st & April 3rd - Salamander Rain

Spring rains bring life back to New York State. Salamanders and other amphibians are out and about this time of year. Join us for an outdoor salamander scavenger hunt.

Pricing for this 5 week session:

(for one adult & one child)

CMOST Members: \$50.00

Non-Members: \$75.00

Each additional child: \$25.00
